### **Budget Presentation**

- Superintendent Eric Lieske provided a budget presentation that included budget reduction considerations. Davison Schools is anticipating a shortfall of \$5.9 million for the 2011/12 school year. More than \$1.6 million of that shortfall comes from the governor's budget proposal. The District is also losing \$1.2 million in the one-time Education Jobs federal stimulus funding. The budget prediction also anticipates a reduction of 50 students and increases in retirement and health care costs, utilities and gas and includes more than \$600,000 in salary steps per current master agreements.

Superintendent Lieske invited staff to send him any cost-saving ideas they might have. District officials are investigating ways to conserve energy and actually decrease utility costs.

The governor is expected to report on public education in April and has publicly stated he plans to have a two-year budget in place by May 31.

The budget conversation will continue during the coming months as we learn more on school funding from the State.

**ADJOURNMENT:** Moved by Karen Conover, supported by Kim Lindsay, to adjourn the meeting at 7:49 pm. The motion was carried with a vote of 7-yes, 0-no.

Respectfully submitted:

---
