SafeCards App Privacy Policy

This privacy policy sets out how Davison Community Schools uses and protects any information that you give Davison Community Schools when you use the SafeCards app. Davison Community Schools is committed to ensuring that your privacy is protected. Should we ask you to provide certain information by which you can be identified when using SafeCards, then you can be assured that it will only be used in accordance with this privacy statement.

Davison Community Schools may change this policy from time to time by updating this page. You should check this page from time to time to ensure that you are happy with any changes. This policy is effective from August 6, 2018.

What we collect
We may collect the following information:

- Name
- Contact information including email address
- Other information that may be relevant to securing the safety of our school district.

What we do with the information we gather
We require this information to ensure the safety of all students and staff in the Davison Community Schools district and in particular for the following reasons:

- Internal record keeping.
- We may use the information to improve our school climate..
- From time to time, we may also use your information to contact you if immediate attention or more information is needed regarding a potentially dangerous matter.
- We may use the information to customize the SafeCards app according to your interests.
- We will never sell your information.

Security
We are committed to ensuring that your information is secure. In order to prevent unauthorized access or disclosure we have put in place suitable physical, electronic and managerial procedures to safeguard and secure the information we collect online.
