Welcome back scholars! It's great to see you.

**Self-Control:** Why does self control matter? Self-control helps delay short-term gains in pursuit of greater, long-term success. This strength is associated with being in control of (and responsible for) your own personal choices - and the outcomes of those choices. Self-Control functions like a muscle: it gets stronger the more it's used.

Attention 8th graders going on the Washington D.C. trip. There will be an important meeting TONIGHT at 6:00pm in the DMS Cafeteria for everyone going on the trip. If you have any questions please see Ms. Green in room 210.

Attention 8th graders who are interested in Colorguard: Colorguard workshops start April 8th from 4:00 to 8:00 PM at Siple Elementary. This is for 8th graders only. No experience is necessary and you do not have to have a current physical on file. If you have any questions, they can be directed to [savkent@gmail.com](mailto:savkent@gmail.com).
