Thursday, April 7, 2022

Welcome back scholars! It's great to see you.

This week's Positivity Project character strength is Self-Control. Practicing self-control can help strengthen your mind. Today's challenge is to take a few minutes to think about times where you most frequently find yourself struggling with self-control. Knowing some of your most challenging situations is a good way to prepare for those situations.

Attention Students:

We've got a fun social mixer planned for the end of the month to reward students who follow the Cardinal Code by exhibiting SELF-CONTROL and good behavior!

Starting today, all students who demonstrate positive behavior this month will earn the opportunity to attend the mixer. This means, you haven't received any discipline referrals or green hallway/cafeteria tickets between now and the mixer.

Remember, those hallway/cafeteria tickets are most often given for running, using profanity, wearing a hoodie, horse play, etc.

Let's have a great April!

Attention 8th graders who are interested in Colorguard: Colorguard workshops start tomorrow from 4:00 to 8:00 PM at Siple Elementary. This is for 8th graders only. No experience is necessary and you do not have to have a current physical on file. If you have any questions, they can be directed to savkent@gmail.com.
