Welcome back scholars! It's great to see you!

This week's Positivity Project character strength is Curiosity. Why does curiosity matter? Individuals with the character strength of Curiosity are more likely to ask questions and try new things. All individuals experience curiosity, but differ in their willingness to experience it. Asking questions exposes the fact that we don't know and trying a new activity means we may fail. For this reason, the character strength of Curiosity often takes courage and is connected to the character strength of Bravery.

Are you ready to be the next member of the Spirit Squad? Open practice will be held on August 25th from 3:00 to 5:00 in the DMS Cardinal Room. Come with a water bottle, athletic attire, and your hair back. There will be a parent meeting after practice for fall season information.
