

## Daily Announcements

---

*Thursday, February 10, 2022*

Welcome back scholars! It's great to see you.

We will be working on hitting our School-wide goal of \$2022. The Kindness Hallway Team is in the lead with an average of over 1 pound per student. Many of the other Hallways are VERY CLOSE behind. The Jr. Optimist club will be offering homemade donuts to the homeroom TEAM who collects the most pounds per student. Bring in those coins!

Jr. Optimists: Please collect coin boxes in the homerooms today.

Do you know what blood cancer is? It is a disease that occurs in the blood. Our blood is made up of three types of cells: red blood cells, white blood cells and platelets. Blood cancer crowds out the healthy blood cells so they can't do their jobs. The coin collection in homerooms will help people who are sick with blood cancers like leukemia, lymphoma and myeloma. Every penny counts! Thanks! Shout out to all the teachers for letting us do this project.

Next Friday, February 18, will be a device day for \$2. Bring a \$2 donation to your homeroom teacher and you will be permitted to use your electronic device during designated times.

Your last opportunity to purchase and be guaranteed a yearbook for the 21-22 school year is Friday, February 11th. Please go to <http://www.jostensyearbooks.com/> or see Ms. Graves in room 205 to place your order.
