Welcome back scholars! It's great to see you.

Good morning, DMS. This is \_\_\_\_\_ with this week's Positivity Project character strength -- Love. The character strength of Love means that you value close relationships with others and being close to people.

The character strength of love represents the way we think, feel, and behave towards the people with whom we have close relationships. When one person loves another person, that person: comforts and makes the other feel safe; sacrifices on the other's behalf; supports the other during struggles; and places the others' needs ahead of their own. If you love a person, that person makes you feel safe and secure. You can be yourself with that person. You miss that person when they are not around.

Remember, a person can show love every single day! As you go through your day, be sure to look for opportunities where you can demonstrate the strength of love.

The LLS mission is to cure leukemia, lymphoma, Hodgkin's disease and myeloma and improve the quality of life of patients and their families. Donations from Pounds of Pennies help families of patients pay for medicines, doctors or other expenses, and also help fund research focused on finding a cure. Every donation helps!

This Friday, February 18, will be a device day for \$2. Bring a \$2 donation to your homeroom teacher and you will be permitted to use your electronic device during designated times.
