Did you know that the life expectancy of a coin is 30 years? Paper money, like dollar bills, usually only last for 1 1/2 years! Coins really add up! The US Mint estimates that there is 13 billion dollars in loose change laying around in America! Thanks for fighting cancer....one penny at a time!

**Athletics Update:** Boys Basketball tryouts will begin Monday, February 22nd. **7th grade tryouts are 4:00pm - 5:30pm, and 8th grade tryouts are 2:15pm - 4:00pm.** Reminder: Due to Covid regulations you may ONLY be in the building during your tryout time.
