**January 25th @ 2:45 - 6 P.M.**

**in DHS room #114**

These sessions will be a drop in style, come in and leave at your convenience.

No experience needed, anyone interested in learning the game is welcome!

We will continue every Monday and Thursday until the end of the school year.

We will start each session with informational programs, board work and demonstrations on proper technique, flexibility and speed training.

Each player will be able to hit balls, receive iPad/Swing Profile swing analysis with instant feedback. Also, we will have a small putting green to work on the proper putting stroke and short game.

I hope to help each player develop a much better understanding of their golf swing, putting stroke, chipping and pitching techniques and the mental approach to the game.

Any golfers interested in attending please send an email to [ddewitt@davisonschools.org](mailto:ddewitt@davisonschools.org)
