Siple Elementary

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-2016 educational progress for Siple Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Principal Christy Flowers for assistance.

The AER is available for you to review electronically by visiting the following website: <https://goo.gl/wbyqIn> or the district's website at www.davisonschools.org, or you may review a copy in the principal's office at your child's school.

For the 2016-17 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information. A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom School Rankings, top 5% of schools making the greatest gains in achievement (improvement metric), or "Beating the Odds" by outperforming the school's predicted ranking and/or similar schools. Some schools are not identified with any of these labels. In these cases no label is given.

Our school was identified has not been given one of these labels.

The key challenges for the school are in large part due to the change in the state assessment this year and the lack of guidance in trying to decipher test results and using that assessment data to impact student achievement.

We have several key initiatives under implementation to accelerate student achievement, including:

- School Improvement Process
- ACC—Understanding By Design model for the development and revision of curriculum.
- Standards Referenced grading initiative.
- Data Days
- Building and District Professional Learning Communities By Grade Level and/or Subject Matter
- Adolescent Accelerated Reading Initiative
- Algebra I Shadow Class
- Challenge Program
- Academic Success Course
- Success 101 Course

State law requires that we also report the additional information:

Siple Elementary

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL:

The District is a “schools of choice” district in that there are no set school building boundaries within the district. Any child living within Davison school boundaries can attend any school within the district at the student’s grade level. Davison Community Schools also participates in the state of Michigan’s 105 and 105c Schools of Choice programs, which provides students living outside district boundaries opportunities to attend Davison.

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN:

In 2014, Davison Community Schools was awarded renewal of District Accreditation as a quality school system by the AdvancED Accreditation. Davison was one of the first school districts across the state to complete this rigorous process in 2009. Accreditation is a process that has to be renewed every five years. We will have our next district visit in 2019.

A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL:

All of our school buildings offer a quality education and are unique in their own ways.

- Davison High School: Houses approximately 1,600 students in grades 9-12.
- Davison Alternative High School: Specializes in credit recovery for students in grades 9-12.
- Davison Middle School: Houses seventh and eighth graders.
- Hahn Intermediate School: Houses fifth and sixth graders
- Central Elementary: First through fourth graders and the district’s gifted and talented program
- Gates Elementary—Houses first through fourth graders
- Hill Elementary—Houses Kindergarten through fourth grades
- Siple Elementary—Houses Kindergarten through fourth grades
- Thomson Elementary— Houses Kindergarten and Early Development Kindergarten students

CORE CURRICULUM:

The State of Michigan requires that all students enrolled in public school districts receive daily core curriculum instruction in language arts, reading, English, math, science and social studies. Davison Community Schools, being in full compliance with state requirements, offers daily core curriculum instruction which meets or exceeds state requirements in all areas. The district has developed and implemented outcomes for kindergarten through 12th grades which reflect the state Core Curriculum guidelines. The content of these guidelines is based on “. . .an effective program which fosters the development of a well-rounded literate individual.” The district’s Advisory Curriculum Council, an ongoing group made up of board members, teachers, and administrators reviews each of the core areas on a six- to eight-year cycle. Additionally, student achievement is monitored in each of the five core academic areas by standardized achievement tests, teacher developed tests and MEAP test results.
