

BOOK IT!

#BOOKITKid

@BOOKITPROGRAM

Dear Parents/Caregivers,

Reading is at the heart of education, and the only way to get better at reading is to **do** it! To encourage your child to “read their heart out” this year, our classroom is participating in the BOOK IT!® Program. Below is more information on how it works, along with a few ideas for how to get involved at home.

ME (TEACHER)

- Each month from October through March, I will set a reading goal for your child.
- I will read aloud in class, show my love for reading and instill a love of reading in your child.
- When the goal is met, I will celebrate the achievement by recognizing your child with a Reading Award Certificate in front of the whole class!

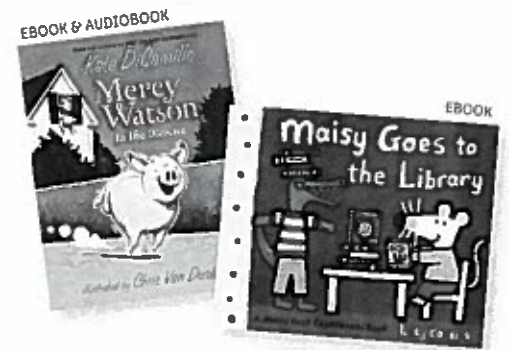

YOU (PARENT)

- Review the goal with your child, and set aside time at home to read every day.
- Be a role model by reading yourself and reading to or with your child to show that you, too, value books and love reading.
- When your child achieves their monthly goal, make it a celebration! You can redeem your child’s Reading Award Certificate for a free, one-topping Personal Pan Pizza**, Passport to Reading and sticker at Pizza Hut. So, make it a date! That special one-on-one time can make your child’s reading achievement even sweeter.

*There is no purchase necessary and the pizza can be taken to go.

Sincerely,

Mrs. Shuffett
