

Camper of the Week

Dear Families,

Each week a different student will be our "Camper of the Week". That week the particular student will be able to display 5-6 photographs they have brought from home. I will send home a reminder note and questions to answer the Friday before their week. They should return the worksheet and bring in the pictures to display on Monday. Students may wish to include photos of themselves, their family, vacations, sports pictures etc. Below you will find your child's name listed next to the date starting the week they get to be "Camper of the Week."
