

# important Correction

# Reading Log

This is a correction based on the reading log that was sent home.

There was a page on the reading log that states that the amount of minutes read will equal the reading grade they will receive.

THIS IS NOT TRUE!

Their reading log DOES NOT count as a part of their grade.

I will use it as a part of the Book It program.

Please see attached letter about Book It!

I apologize for any misunderstanding!
