**December 22, 2016**

**Happy Holidays!**

## Celebrate Learning!

**Social Studies:** This week we finished up our unit on American Indians. After break we will be learning about Europeans.

**CHRISTMAS PARTY:** We had a great time at our party yesterday. Thank you to those parents who attended the party, you were a great help. Also, thank you to those who sent in supplies.

**Lost and Found:** Our lost and found continues to grow on a daily basis. Please take the time to label your child's clothing (boots, mittens, hats, coats).

**XtraMath**—If you have computer access at home this is a great way for students to practice math facts. They have their user name and password in their agendas. They will just need this information and my email (at the top of the newsletter) to log in. I have moved all students on to multiplication.

**SEND IN POINTS!** Please send in your Campbell's labels and Box Tops. These are used to earn money for school programs as well as to compete for a prize from the PTO! Thank you to those of you who already sent these things in. Keep them coming!

**MERRY CHRISTMAS!**
