13th year! Event moving to Wednesday evening due to primary election

Back to School Blast is Aug. 8

The 13th annual Back to School Blast will kick off the school year once again but this year's event will take place on a Wednesday evening rather than the traditional Tuesday due to this year's primary election. This year's Blast will take place on Wednesday, August 8. The time, 5-7 p.m., and place, Cardinal Stadium, remain the same.

This year we are very excited to announce that Third Degree Burns, a band made up of talented young musicians from area high schools, including Davison High School, will perform classic rock and roll hits from 6-7 p.m.

The entire community is invited to attend and the event is free, thanks in part to donations by the Davison Educational Foundation. Visitors are asked to donate a canned good or non-perishable item at the Outreach East booth, where representatives will also be selling popcorn and Duck Race tickets. All of the food and money collected will benefit area families in need.

Visitors will also have an opportunity to purchase Davison spirit wear at the District table in the Alumni Plaza.

Third Degree Burns will perform from 6-7 p.m. at this year's Back to School Blast on Wednesday, August 8, at Cardinal Stadium. The band is part of the Young Musicians Group and includes students from Davison High School as well as Lapeer, Kearsley, Lakeville and Imlay City high schools.

Free hot dogs, chips and bottled waters will be served at the stadium's two concession stands.

School staff, community service groups, churches and businesses will sponsor a variety of free activities, crafts and games for the kids including bounce houses. There will be face painting and visits by local police, fire and public safety officers with their emergency vehicles.

Be sure to watch the district's website at www.davisonschools.org for a full list of activities.

Parking lot particulars

Work progresses on the parking lot reconstruction at Gates Elementary. When the project is finished there will be separate entrances for cars and buses as well as additional parking. Work is expected to be completed by August 4.

Keeping our promises

Teacher Qualification Information

In accordance with criteria provided by the No Child Left Behind (NCLB) Act of 2001, the State of Michigan developed a plan for identifying highly qualified teachers. This plan was approved by the State Board of Education on April 24, 2003. The plan provides guidance for school districts. NCLB requires the district to notify parents annually of the following issues related to teacher quality: the number of teachers with emergency or provisional credentials where certification require-

ments have been waived. One hundred percent of the teachers at Davison Community Schools are certified by the Michigan Department of Education to teach in Michigan and 100 percent of our teachers meet NCLB Highly Qualified criteria. If you would like to request information regarding the professional qualifications of your child's classroom teacher(s) and, where appropriate, the paraprofessional working with your child, please contact the office of the Assistant Superintendent at 591-0808.

Annual Notifications

Pest control notice

The Davison Community Schools in keeping with the State of Michigan Natural Resources and Environmental Protection Act 451 of 1994 and Regulation 637 has adopted a plan of action for controlling insects, rodents and various other pests in and around our facilities.

The district's plan of action for controlling pests incorporates integrated pest management (IPM). IPM utilizes various means of pest control, including, but not limited to, habitat modification and sanitation, mechanical control, biological control and chemical control.

Use of chemicals to control or eliminate pests will be closely monitored and applied only as a last means of resort. Safety Data Sheets (SDS) for all pesticides used are available by calling Caitlin Bentoski in the district's Business Office at (810) 591-0803.

If you wish to be notified before a scheduled pest treatment, please submit your request in writing to Phil Thom, Director of Operations, Davison Community Schools, 1490 N. Oak Road, Davison, MI 48423.

All requests shall include a parent or guardian's name, address, day and evening telephone numbers, email address (if available), name of student(s) and school(s).

If you have any questions regarding this notice, please contact Phil Thom at (810) 591-1050.

There may be occasions where pesticides may be applied in an emergency situation without prior notification to parents or guardians. In this case, parents or guardians requesting notification will be notified immediately following the application.

Asbestos compliance

The Environmental Protection Agency (EPA) Asbestos Hazard Emergency Response Act (AHERA) requires that each year district workers and building occupants receive notification about asbestos activities such as response actions and inspections. The purpose of this correspondence is to meet those requirements and familiarize you with the asbestos-related activities that have been conducted in Davison during the past year.

Management Plans - The existing Management Plans are located in the Main Office of each building and are available for review. A copy of each Management Plan is also located at the District's Operations Office, 1490 N. Oak Road, Davison, Michigan.

Periodic Surveillance - The AHERA regulation requires surveillance of the condition of asbestos containing materials every six months. This monitoring is being conducted as required by the asbestos standard and copies are located in the management plans.

Reinspection - The AHERA regulation requires a three-year reinspection of the condition of asbestos containing materials in all school buildings. This monitoring is being conducted by State of Michigan accredited asbestos inspectors and copies are located in the management plans.

All asbestos abatement records are located in the management plans and are available for public review.

Family Educational Rights and Privacy Act guidelines

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the District receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes is inaccurate or misleading. Parents or eligible students may ask Davison Community Schools to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise the individual of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedure will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor or support staff member (including health or medical staff and law enforcement unit personnel, a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official performing his/her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his/her professional responsibility. Upon request, the District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

Please see **NOTICES**/Page 5

Notices/Continued from Page 4

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, D.C. 20202-4605

Notice for Directory Information

The Family Educational Rights and Privacy Act requires that the Davison Community Schools, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, the District may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the District to include this type of information from your child's education records in certain school publications. Examples include:

- a playbill, showing your student's role in a drama production.
- the annual yearbook.
- honor roll or other recognition lists.
- graduation programs.
- sports activity sheets, showing weight, height of players.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories - names, addresses and telephone listings - unless parents have advised the LEA that they do not want their student's information disclosed without prior written consent.

If you do not want the Davison Community Schools to disclose directory information from your child's education records without your prior written consent, you must notify the District in writing. Please send a written request to the **Communications Department at Davison Community Schools, 1490 N. Oak Road, Davison MI 48423.**

The District has designated the following information as directory information: student's name, address, telephone number, electronic mail address, picture, parent or guardian, date and place of birth, major field of study (i.e. technology preparation program, honors program, etc.), dates of attendance, grade level, participa-

tion in officially recognized activities and sports, weight and height of members of athletic teams, degrees, honors and awards received, and the most recent educational agency or school attended by the student.

High school students and their parents/guardians may prevent disclosure of a student's name, address and telephone number to military recruiting representatives (who can only use that information to provide information to students concerning educational and career opportunities available in the U.S. Armed Forces or service academies) by submitting a signed written request to that effect to the school district. Again, please send those written requests to the Communications Department, 1490 N. Oak Road, Davison MI 48423.

Transfer of student records

The transfer of student records in Michigan is governed by Revised School Code Section 1135 (MCL 380.1135) which requires that: Within 14 days after enrolling a transfer student, the school shall request in writing directly from the student's previous school a copy of his or her school record. Any school that compiles records for each student in the school and that is requested to forward a copy of a transferring student's record to the new school shall comply within 30 days after receipt of the request unless the record has been tagged pursuant to section 1134 (Section 1134 deals with records of missing students). In the view of the Michigan Department of Education, the "school record" referred to in section 1135 includes a student disciplinary record, including any suspension or expulsion action against the student.

School publications, Website

Names and pictures of students may be used in district publications, including the *Cardinal Caller*, a newsletter mailed to all homes in the 48423 ZIP code, building newsletters, slide show presentations, DTV, social media (Facebook, Twitter, etc.) and on the web site. From time to time, a student's picture may also be released to local media when press releases are issued.

If you object to your student's image or name appearing in any of these publications, please send a written request to the **Communications Department at Davison Community Schools, 1490 N. Oak Road, Davison MI 48423.**

McKinney-Vento Homeless Act

Children who meet the Federal definition of "homeless" will be provided a free appropriate public education in the same manner as all other students of the District. To that end, homeless students will not be stigmatized or segregated on the basis of their status as homeless and will be assigned to the school serving those non-homeless students residing in the area in which the homeless child is actually living. The District shall establish safeguards that protect homeless students from discrimination on the basis of their homelessness. For more information, please contact our McKinney Vento Liaison, Holly Halabicky, at 591-0913.

Bus Routes

Please use the bus routes listed below as a guide for your student's approximate pick-up time (times are subject to change) for the start of the 2018-2019 school year.

- Please be patient the first few days of school and have your student out at least 5 minutes prior to the approximate bus time.
- If you do not see a bus within 15 minutes, call our transportation department at 591-0816 for assistance.

Pickup and dropoff times may be delayed the first week of school as routes are fine-tuned based on the amount of passengers and timeliness of runs. For questions or concerns please contact one of our friendly dispatchers at 591-0816 or Mark Fahr, Transportation Director, at 591-0813.

- **Elementary Lunch (K-6): \$2.40**
- **Secondary Lunch (7-12): \$2.70**

Universal (free) breakfast is served to all students at Central, Siple Elementary and Davison Alternative Education.

Applications are confidential and students are not identified in any way when they participate in the program. All students receive the same lunch.

Applications are available by contacting the Food Services Department at 591-0824 or can be completed online by visiting the district website at www.davisonschools.org.

New to district or just moved? Be sure to register and/or change your address!

Resident parents who wish to enroll their child in Davison Community Schools for the 2018/2019 school year should complete the registration process as soon as possible.

The registration process takes place at the school the child will be attending. If you are not sure which elementary school your child should be attending, please call the Superintendent's Office at (810) 591-0801.

When registering your child, please provide your child's original certified birth certificate (issued from the county clerk's office with the official raised seal on it), immunization records, and three proofs of Davison residency. Please see our website for a complete list of items that you will need to bring with you. (Select the "About Us" tab from our home page and click on Enrollment Information.)

Also, please note: If you move from your current address to another in-district address, you will be required to provide three new proofs of residency (per the requirements noted above) in order to have your child's record updated for future school mailings.

School closing, emergency information

If weather, road conditions or other emergencies make it necessary to close Davison Community Schools, the following steps will be taken:

- Information will be texted and emailed to parents signed up to receive text/email alerts. (Parents can sign up to receive this by clicking on the Ed-Alert quick link on our website, www.davisonschools.org.)
- Calls using our automated telephone system will be sent.
- Information will be posted on our website.
- Information will be posted on the District's Facebook and Twitter social media sites.
- The following media outlets will be notified: WJRT TV-12, WEYI-TV 25, WNEM TV-5.

The decision to close school is based on several factors, the most important being student safety. Unfortunately, road conditions can change at a minute's notice which may necessitate closing school with very little advance notice or during the actual school day. Please discuss the possibility of a school closing or delay with your child(ren) and develop a plan if you have already left for work.
