## August

The following action items were approved by the Davison Board of Education at its August 9 meeting:

- **Approval of Parent and Student Handbook:** State pupil accounting practices require the Board of Education to approve the Parent and Student Handbook annually. Updates to the book are coordinated by Holly Halabicky, Executive Director of Student Services. The 2021-22 Parent and Student Handbook can be viewed online at: <https://www.davisonschools.org/site/handlers/filedownload.ashx?modulein-stanceid=22&dataid=12019&FileName=ParentHandbook20212022.pdf>

In addition to those courses, Davison Alternative Education offers the following classes for high school credit:

- Consumer Math
- SAT Prep

All courses offered in grades Developmental Kindergarten through 12th grade have curriculum approved by the district's Advisory Curriculum Committee (ACC).

Virtual learning options are also offered through ACC-approved curriculum courses aligned to state standards and created and taught by Davison staff, the Genesee Intermediate School District's Gen-NET portal and the Virtual Learning Academy Consortium (VLAC) program operated by Oakland Schools. All courses offered through Gen-NET have been reviewed to ensure that they are aligned to Michigan state standards.
